capabuild

COMPANY PROFILE 2021

WHO WE ARE?

- Capabuild is a Dutch foundation under Dutch company law, non-profit driven and fully independent.
- Capabuild has official charity status for tax purposes.
- Capabuild works with a team of experts in charge of project management, production, training and education; our 'ecosystem'.

Our Mission is to help developing countries build and improve their tax capacity.

Our foundation is personification of four elements

1. Tax and development are closely linked
2. Domestic resource mobilization as key to achieve Sustainable Development (SDG) Goals and for business to achieve Environment Sustainability Governance (ESG) goals
3. Private public collaboration with private donors (PwC, Deloitte, Prosus, Heineken, KPMG, United Foundation, JTI etc) and public donors (Dutch Ministry of Foreign Affairs)
4. Partnership with Committee on Fiscal Studies of the Nairobi University

CAPABUILD IS A PROUD MEMBER OF SDG NEDERLAND.

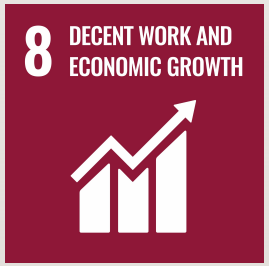
Capabuild contributes to 4 out of 17 SDG's



OUR CHARACTERISTICS

capabuild

- Pragmatic
- Demand Driven
- Flexible
- Independent
- Business Wise

capabuild

WHAT WE DO?

- The projects we undertake intend to improve training at tax training centers of revenue authorities and strengthen train the trainer- programs.
- We initiate involvement of business contributing to Capabuild's training activities, thereby establishing a public private partnership instrument for benefit of revenue authorities.
- Under Covid-19 pandemic, we established with help of our production team an online platform which we tried and tested with successful post Corona webinars for Indonesia and Africa
- We work closely together with revenue authorities of our customers: developing countries. Training and curriculum programs consist of on the ground training, with the emphasis on obtaining practical knowledge of international tax rules, Q & A and case studies.

OUR EXECUTIVE BOARD

capabuild

Gitte Heij
Chair of the Executive Board Capabuild

Gitte Heij (PhD Law, MA Tax Law, University of Groningen) started her career with ING Bank before moving into research and advisory work for governments and companies around the world. For over 20 years she worked on a wide range of tax and investment projects and public/fiscal policy initiatives in the Asian region. She is a passionate futurist and an experienced trainer/ teacher affiliated with Murdoch University and the Asian Law Centre at Melbourne University. She is an active member of the OECD Government Foresight Community Network and the International Public Sector Foresight Network.

Jan van Trigt
Executive Board member Capabuild

Jan studied economics and tax at the Erasmus University Rotterdam before starting his career with the Dutch Revenue Service. In 1989 he joined the tax practice of Arthur Andersen which transferred into Deloitte in 2002. He worked for many clients active in international business and served in many significant leadership roles within Andersen and Deloitte in the Netherlands, in EMEA and at a global level. Jan has a broad range of interests and has proven track record in leading small and large groups of professionals with a variety of specialisms. Jan left Deloitte in 2018 and he is now active in (non-tax) advisory work for a small and larger organisations, amongst others on management topics and energy transition. Jan has a passion for public policy and business. He combines his 30 years of experience in the world of tax, international business and management.

OUR SUPERVISORY BOARD

capabuild

Attiya Waris
Supervisory Board

Professor Waris is Deputy Principal, College of Humanities and Social Sciences; Director of Research and Enterprise and Associate Professor of Fiscal Law at the Law School, University of Nairobi in Kenya and Chairperson, Committee on Fiscal Studies. Professor Waris is an Advocate of the High Court of Kenya and a member of the Chartered Institute of Arbitrators (UK) and a Certified Public Secretary (Kenya). She comes from a strong mixed practitioner and academic background having worked in several countries in Africa in various diverse institutions including law firms, Non-Governmental Organisations as well as the United Nations International Criminal Tribunal for Rwanda. She specialises in tax policy and legislation and its analysis in research as well as in its practical analysis and application within the context of negotiations with revenue authorities and before tribunals and the judiciary in Africa.

Theo Groeneveld
Supervisory Board

Mr Groeneveld studied notarial and tax law in Leiden and was a justice in the Court of Appeal in The Hague since 2010. Before that he was, among other things, a member of the Council for the Judiciary and advocate-general with the Supreme Court of the Netherlands (Tax Division). In 2011 he was appointed as justice in the Supreme Court of the Netherlands. The Supreme Court of the Netherlands, officially the High Council of the Netherlands, is the final court of appeal in civil, criminal and tax cases in the Netherlands. Since his retirement in 2018, he provides advisory services and mediation services.
